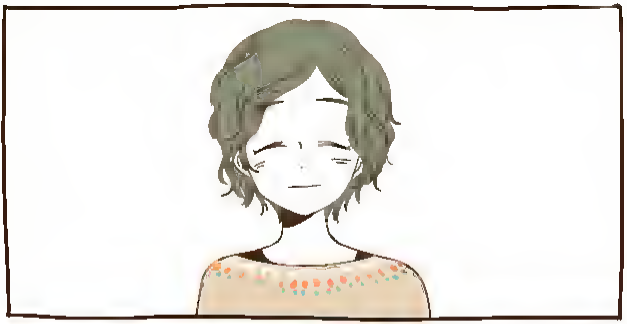
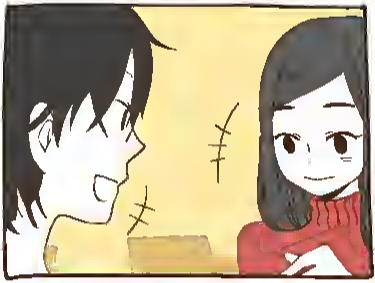
THE STORY OF SOMEONE WE KNOW

아는사람 이야기

Ep. 30. Uncomfortable Feelings





I feel...

uncomfortable being around Jung-Sang-oppa's colleagues...

Oh my...
I'm so sorry...
I'm interrupting you two
Yeah, I didn't get bored waiting because of you
No, you're not-
That's a relief then
And...
Think about what we just talked about and contact me
Tap...

I'll be waiting...
Okay...
bump
Bye
She said she was in the area so I called her cause it was boring waiting alone
Okay..

Did you think about what you want to eat? Let's go look for it.
Tidge!
But...
What kind of reply is she waiting for?
Do you meet up a lot?
Where in this area does she live?
The two of you are close enough that she'll come just because you called her?
What about this place?
We were going to eat here last time but we couldn't.
...I can't ask him these questions...
I'll go ahead and make a reservation then, okay?
I like it
...Although it bothers me

Ugh It's cold.
It's supposed to get a little warmer today~
It's a cat~
Meow~
Come here~ Chuchuchu~
Meow!
I won't hurt you~
DASH
Come here.
you cutie.
Let's hurry up

You know...
We should get a cat...
No.
Never.
...
?
I'll pay for all the cat's expenses...
You know that money isn't the problem here.
Why-? You like animals too...
Liking one and taking care of one are two completely different things-
It takes more time and money than you think...
Well, about time...

It's okay because I'm always at home...
Ugh...
Aren't you taking being able to stay home for granted?
And, even though you're always home, you don't do your share of the work or even take care of simple household chores.
Before you think about taking care of a pet, focus on taking care of what's already on your plate...

Ah
Is that so?
You're right... Everything you said just now was true... I'm being too immature. That's what you're thinking all this time
I'm sorry, but... let's eat dinner later Is that okay?

What the...
I would have eaten with my friends if I knew this was going to happen
turn
How are you doing La La?
Greet me~
Pet me~

Ah, you're so pretty~
Huh?!
Ah...Hello.
Ah...Yes. Hello.
He must be La La's owner

You must be on your way to some event, right...?
...Huh?
...Ah...
...No...
??
Pay attention to me please!
Because your hairstyle is different from usual
Ah..
Even strangers like him
Act-ually...
noticed.
It wasn't even something to fight about...

He didn't comment on my hair so did he even notice that it changed?
He was the one who wanted to eat out but then he went and called out his female hoobae
Yeah... I understand that he would have been bored But still If he was going to call her he should have told me beforehand.
Even though he knew that I'd be uncomfortable
Discomfort Levels Rising ↑↑↑
I'm never going to apologize first
"Enjoy yourself with them
Later, let's eat together."
"You're here...?"
"Is there anything you want to eat?"

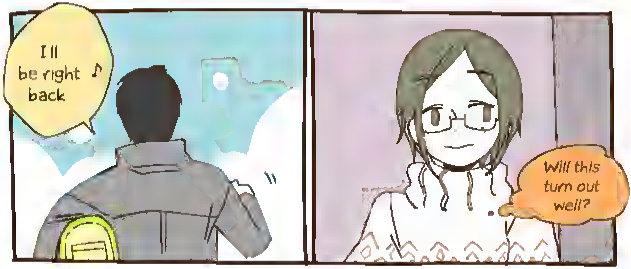
"Ah...
Is that so?"
Urgh...
Uh...
Ugh...
vibrate

My Jung
Where are you ?
I'll prepare the food,
come and let's eat together.
We'll talk about cats while
eating too. It's cold...
Hurry up and come back.
Honestly, if I had to pick...I like dogs better
Dogs...are good-
But still...Um, a dog...
is also good but...

But...?
I think a cat would suit me more in the end
Sigh...
I actually want a dog that's on the larger side like La La
Later, at a house that has a rooftop garden
Bow
Wow
What do you think about adopting a pet from a shelter?
Ah... About that...
Actually...
There's one I already called dibs on
You wanna see a picture?
WHAT?! WITHOUT EVEN ASKING ME?!
It's not from the shelter but
it's the same 'cause this one doesn't have a home
Look, look!

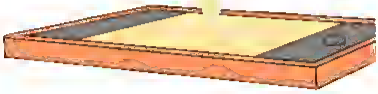
I sleep with a blanket~
Aww...Look at its pawy... How...☆
Isn't it cute?
Are you sure you have the confidence that you can take responsibility? Just having the determination to take care of a pet isn't enough
You need to treat it as if you're bringing in another family member
Well that much... I'm familiar with some of it raising my family's dog Yeppi (12 years old now!) Don't worry
When it arrives,
let's name it together
Is what he said.

A few days later, cat furniture turned up every now and then.



Oppa was excited about preparing for a new family member and went to pick up the cat.

And...



What came back when dinner was ready

was news about Jung-Sang-oppa's accident.
